Before any unit leaves one of Mickey’s Fleet Services Centers it must pass a rigorous 32-point quality check list that covers the frame, brake system, suspension and electrical. When you receive your reconditioned vehicle from Mickey it will look and operate like new. **WE GUARANTEE IT!**

**RETROFIT & REPURPOSE**
We reconditioned and retrofitted a 2007 beverage sideload trailer into a Mobile Food Pantry.

**RECONDITION**
We painted and reconditioned this milling machine for construction work.

Wastewater pump before and after reconditioning and repainting.
